PRINTEMPS-ÉTÉ

#POPICONS

Pour l'été 2023, Maje s'inspire de Britney, Madonna, Beyoncé, Christina ou Jennyfer. La marque joue avec leurs styles, leurs attitudes et leur audace pour créer une campagne forte et assumée, en phase de devenir iconique.

Le regard hypnotique, l'attitude forte voire exagérée, et le style assumé ; être une icône, c'est une façon de poser, de penser, de s'habiller et d'être, qui s'amuse des commentaires et se joue des clichés pour séduire le monde entier et conquérir l'univers.

SPRING SUMMER
CATALOG

#POPICONS

For summer 2023, Maje is inspired by Britney, Madonna, Beyoncé, Christina and Jennyfer. The brand plays with their styles, attitudes and boldness to create a strong and assertive campaign, on its way to becoming iconic.

The hypnotic look, the strong and even exaggerated attitude, and the assumed style; to be an icon is a way of posing, thinking, dressing and being, which pokes fun at comments and plays with clichés to seduce the whole world and conquer the universe.
