Health & Safety Awards

ROSPA

2008 RoSPA Silver Award

2010 RoSPA Gold Award

2011 RoSPA Gold Award

Description

Award for Occupational Safety and Health presented by The Royal Society for the Prevention of accidents in the UK. (RoSPA). RoSPA has been established for more than 90 years and has Her Majesty the Queen of England as Patron. This international award covers all of our Designer Outlet Centres throughout the UK and Continental Europe. The RoSPA Awards Scheme recognises Organisations which have shown a commitment to protecting the health and well-being of their employees and others. There are four tiers of award category ranging from a merit through to bronze, silver and gold.

Environmental Awards

Sunday Times Best 60 Green Companies List 2011. We achieved 52nd place in the ranking. This award is for all UK Designer outlets.

HEALTH & SAFETY AWARDS & ACCREDITATIONS BY CENTRE

OHSAS 18001

Description

OHSAS 18001 is the internationally recognized assessment specification for occupational health and safety management systems. It was developed by a selection of leading trade bodies, international standards and certification bodies. This is currently being trialled at various centres.

Livingston was awarded OHSAS 18001 Accreditation in April 2010.

Castel Romano was awarded OHSAS 18001 Accreditation in March 2011.

BRITISH SAFETY COUNCIL 5 STAR AUDIT SYSTEM FOR OCCUPATIONAL HEALTH & SAFETY

Description

The Five Star Audit is an internationally recognised audit system, used by leading organisations worldwide to benchmark their

safety management system against best practice process. It objectively and in detail, evaluates an organisation's OH & S management system, identifying areas of strength and weakness, and supports a structured continuous improvement approach going forward. It is globally recognised as one of the most comprehensive, independent audit measurement systems available on the market today.

an environmental management system in any organisation via a supporting audit programme. ISO 14001 is a universal standard, recognised throughout the world and developed as a result of the Rio Summit on environment held in 1992.

BRITISH SAFETY COUNCIL FIVE STAR ENVIRONMENTAL AUDIT SYSTEM

Description

The Environmental five star audit system Identifies current and future compliance gaps and provides recommendations to become compliant with legal obligations, identifies generic best practice in environmental management, reduces the risk of infringements and manages uncontrolled pollution hazards. The audit system provides a platform for the further development of our Environmental Management System (EMS) and demonstration of our commitment towards continual improvement.

BRITISH SAFETY COUNCIL SWORD OF HONOUR

Description

The Sword of Honour is the most prestigious international health and safety accolade that a company can receive, and it is designed to encourage and reward organisations that work to best practice. Inaugurated in 1979, every year up to 40 swords are awarded worldwide, so winners can be assured that they are elite organisations that boast first-class health and safety for their employees.

2006 Awarded to Swindon Designer Outlet, UK

2007 Awarded to Parndorf Designer Outlet, Austria

2008 Awarded to Castel Romano Designer Outlet, Italy

2009 Awarded to Barberino Designer Outlet, Italy

ENVIRONMENTAL/ SUSTAINABILITY AWARDS & ACCREDITATIONS

ISO 14001

Accreditation now achieved at centres in the UK, Italy, Austria, Netherlands and Germany.

Description

ISO 14001: ISO 14001 is an environmental standard against which it is possible to be certified by an external accreditation Body. It is a series of international standards on environmental management which provides a framework for the development of
